Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- **A.** Social Security number or Voter Number are not mandatory, but assist the election official in establishing your eligibility to vote.
- **B.** If you are an overseas citizen, you must provide your passport or identity card number in Item 1.f.
- **C.** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- **D.** Provide the complete street address of your voting residence. Your eligibility to vote and determination of your voting precinct depend on the physical location of your residence while you were in the state. A post office box, rural route number, general delivery, etc., are not sufficient. If there is no street address, give a specific identifying description, such as a highway name and milepost, trailer park and space number, subdivision name, etc., in Item 7.

IMPORTANT: When registering by mail from outside the State of Alaska, you must enclose proof of Alaska residency (such as a copy of a current Alaska driver's license, leave and earnings statement or any other type of documentation showing Alaska residency) with the FPCA.

E. Print the complete address, if you want your ballot sent by mail. Be sure to advise the Division of Elections in writing if your mailing address changes from the time of the request for a ballot to the time of mailing the ballot.

If you wish to vote by fax, please indicate so and write the number where you want an application faxed. (See instructions at I.B and II.B, "When To Do It".)

- **F.** It is mandatory to give any former name under which you were registered in Alaska.
- G. OPTIONAL
- **H.** The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Alaska and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. When To Do It

You may use a single FPCA to register and request ballots for all elections in a calendar year by mail. Absentee by mail ballots are available at least 22 days before the election.

If requesting a ballot by fax, you must apply separately for each election, using a different application form. You may use the FPCA to request this special application. Fax voting should be used only if you miss the bymail application deadline. Only primary and general elections allow voting by fax.

(1) If you are unregistered, the Division of Elections must receive your FPCA request for registration and a ballot at least 30 days before the election. To register from outside the State, you must enclose proof of Alaska residence with the FPCA.

If you are a registered voter and submit a ballot request by mail, the Division of Elections must receive it not less than 7 days before the election.

If you are a registered voter you may submit a ballot request by fax beginning 15 days before a primary or general election. To vote absentee by fax, you must apply on a different application. The absentee by fax application must be requested directly from the Division of Elections and must be returned to them no later than 5 p.m. Alaska time on the day before the election.

- (2) If returning by mail, the envelope must be post-marked on or before election day and returned by mail service equal to first class. Ballots mailed from outside the U.S. or from a military APO or FPO address must be received not later than 15 days after the election. Ballots mailed from other addresses must be received not later than 10 days after the election.
- (3) If returning by fax, the ballot must be received on or before 8 p.m. (Alaska time) on election day.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instruction in Chapter 2, page 12.

C. Oath/Witness Requirements

The absentee ballot must be voted in the presence of a witness.

If the ballot is returned by mail, the signature on the voter's certificate on the envelope must be witnessed, and signed and dated by the witness.

If the ballot is returned by fax, the voter must sign a statement waiving his right to a secret ballot and an oath as to his identity. The oath must be witnessed, and signed and dated by the witness.

A commissioned or non-commissioned officer, or other person qualified to administer oaths, can serve as a witness. When an authorized official is not available, two U.S. citizens 18 years or older may witness.

D. Electronic Transmission of FPCAs and Ballots

- Alaska allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail. See instructions above at B.

E. Special Write-in Absentee Ballot

In addition to mailing a regular ballot, Alaska mails a special write-in absentee ballot 60 days before the election to any voter who has requested an absentee by-mail ballot and is living, working, or traveling outside the U.S. at the time of the election. You may request the state special write-in ballot at any time during the calendar year by mailing an FPCA. You may not use fax to request or receive this special ballot.

In Item 7 of the FPCA, place one of the state special write-in labels from Section III.E. If no labels are available, write in Item 7: "I expect to be living, working, or traveling outside the U.S. at the time of the election. I request a special write-in absentee ballot."

Vote the ballot by writing in a party preference or the names of specific candidates.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Alaska and overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Alaska.

- Alaska residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)
